

FOR IMMEDIATE RELEASE:

ATTENTION: ALL FUN-LOVING UPSILONIANS AND SIGMA DELTANS AND FAMILY:

During the January 31, 2009 USPNA Board Meeting, Brod D.J. Sta Ana, the Florida President and Chair of the **BarkoBarkada World Reunion** Committee, gave the following brief update concerning our upcoming exciting world reunion:

Target date is one of the last 2 weekends of June

- We will be departing from Port Canaveral on Royal Caribbean Friday, returning on Monday
- During the 4 day/3 night cruise, we will port in CocoCay and Nassau, Bahamas with the opportunity to disembark the boat and enjoy each destination
- Our activities will be the usual – Meeting(s), “Kambingan”, Frat Ball

We are currently working with the Cruise Line reps to secure the venues on the boat to hold our various activities and most importantly to secure the costing so that we can proceed forward with all the preparations and announcements.

Once I have received the detailed itinerary of our travels to the Bahamas and back, we will better be able to determine the scheduling of our activities. As a general overview, subject to adjustments, this will be the flow of our weekend:

Day 1:

- Arrival to port
- Check-in/registration
- Cocktails

Day 2:

- General meeting(s)
- “Kambingan”/Fellowship

Day 3:

- Meeting(s) (if necessary)
- Frat Ball

Day 4:

- “Recovery”
- Arrival back at Port Canaveral

Please keep in mind that on days 2 and 3 we will be docking at CocoCay and Nassau. Considerations for that will be made in the program scheduling and again, we may have to move some things around depending upon the schedule of our dockings at the 2 ports and coordination with the ship’s programs.

More developments are coming.
